DE Einen kleinen Tupfer des starken Kräuterbalsams auf Oberlippe, Hals, Brust oder Rücken reiben. Mit Rudolf kann man wieder aufatmen. Tag und Nacht, Schatz! In reduzierter Dosis auch geeignet für Kinder ab 1 Jahr.
EN Dab the tip of your little finger into the balm and massage into your upper lip, neck, chest or back. Rudolf provides perfect relief. Day and night, darling! Can also be used by children from the age of one up at a lower dosage.

FR Frictionner une goutte de baume aux épices super efficace sur la lèvre supérieure, le cou, la poitrine ou le dos. Rudolf soulage agréablement. Jour et nuit, mon amour! Produit adapté aux enfants, à partir de 1 an, à plus faible dose. **IT** Spalmare una piccola quantità, grande quanto la punta del mignolo, del potente balsamo alle erbe su labbro superiore, collo, petto o schiena. Rudolf dona una sensazione di sollievo. Mattina e sera, tesoro! Anche per bambini a partire da 1 anno, in dosi ridotte. **NL** Een pinktippe krachtige kruidenbalsem inwrijven op bovenlip, hals, borst of rug. Rudolf lucht lekker op. Dag en nacht, schat! Ook kinderen vanaf 1 jaar in lagere dosis.
